**INDEX
OF
UNEMPLOYMENT INSURANCE
JURISPRUDENCE
CANADIAN UMPIRE BENEFIT DECISIONS (CUBs)
#10000 - #24720
(FROM JANUARY 1985 TO JUNE 1994)**

DECEMBER 1994

PREFACE

This Index contains reference to pertinent jurisprudentially significant Umpire, Federal and Supreme Court decisions for the period extending from January, 1985 to June, 1994. Canadian Umpire Benefits decisions (CUBs) herein included, range in large part from CUB 10000 to 24720. Cases subsequently appealed to a higher level and pending either before the Federal or Supreme Court of Canada are followed by an asterisk. Additionally and for ease of reference, a numerical listing with the related name identifier of all Federal and Supreme Court rulings referred to in this Index has been appended following the last chapter.

Moreover, the structure of this Index is similar to that used in the Digest of Benefit Entitlement Principles, that is divided into subjects corresponding to the various sections of the Act and Regulations dealing with a claimant's entitlement to benefits. Each subject is then subdivided into appropriate sub-headings so that jurisprudence on a particular question can be quickly retrieved.

De plus, l'ossature de cet index ressemble à celle utilisée dans le Guide de l'admissibilité, lequel est divisé en chapitres ayant trait aux articles de la Loi et du Règlement portant sur l'admissibilité aux prestations. Chaque chapitre est à son tour subdivisé en sous-chapitres propres de sorte que la jurisprudence sur un point en litige quelconque puisse être rapidement retrouvée.

Cet index renvoie des renseignements aux décisions de juges-arbitres ainsi qu'aux jugements de la Cour fédérale et suprême du Canada qui ont valeur de jurisprudence en matière d'assurance-chomage et ce, à partir de janvier 1985 jusqu'en juin 1994. Les décisions de juges-arbitres (CUB) qui sont répertoriées sont comprises presque entièrement dans les décisions de la Cour fédérale ou de la Cour suprême du Canada qui se sont rendues en annexe moyennant d'un astérisque. Afin de faciliter la recherche, vous trouverez également au sommaire tous les renvois en suspens surprises de la Cour fédérale ou suprême qui sont annotées au moyen d'un astérisque.
